Park Information:

Located within an active neighborhood, this 3.5 acre park serves the neighborhood with many opportunities for skaters, bocce ball and whiffleball players, and children looking for some play structures. The picnic shelter provides citizens with a place to meet, eat, and enjoy the various amenities the park provides. This newly upgraded park includes a nice walking path that allows for better access to the park and 44th Street and expanded parking to better serve the users.
