

CITY OF KENTWOOD PARKS & RECREATION DEPARTMENT

Youth Sponsorship Program

The Kentwood Parks and Recreation Department is proud to offer our Youth Sponsorship Program for children in the Kentwood and Kelloggsville School Districts. We believe that all children have a right to play. The Parks and Recreation Department has obtained funds for the purpose of granting the children of low income families a chance to participate in programs sponsored by the Kentwood Parks and Recreation Department. If you have a child or know of a child who would qualify under the guidelines below, and would like to register for a program sponsored by the Kentwood Parks and Recreation Department, simply fill out the application and return it to the Kentwood Parks and Recreation Department with verification of your household income. All information is confidential. Our main objective is to provide all children in our community with the right to participate. Children may qualify for one program per season. If you have any questions, please call 656.5271.
