

Solicitations

Economic times are improving and we are encouraged to donate to the organization and causes that are consistent with our desires. Give generously to recognized charities. Be wary of strangers soliciting for donations that you find questionable or suspicious. Ask for identification and the benefit of your tax-deductible gift. City of Kentwood ordinance 4-2003 requires solicitors of funds or donations to obtain a permit from the City Clerk's office. *Solicitors are mandated by this ordinance to honor "No Solicitation" signs.*
