

WHAT HAPPENS NEXT?

All pollution reports are investigated. Many reports cannot be confirmed due to the intermittent nature of many discharges or for other reasons. Do you want to know what happened as a result of your reporting a pollution issue? If so, then check this box. Be sure you provided contact information on the previous page.

Check here for a follow-up report.

Thank you for caring about your (and our) environment and our watershed.

For more information on how you can help protect the Lower Grand River Watershed for this and future generations visit these sites online:

CITIZEN REPORT FORM

Postage

If you observed pollution in our local waterways recently, we'd like to hear from you. Pollution can be any type of trash or harmful chemicals that are dangerous to people and the environment. They can enter our waterways through the storm drain system. Dumping anything in the gutter of the street or into a storm drain is illegal and violators can be fined.

Please fill out this report as completely as possible and return it to the City Storm Water Coordinator in one of four ways:

1. Email to City Storm Water Coordinator at engineering@ci.kentwood.mi.us
2. FAX to City Storm Water Coordinator at (616) 698-7118
3. Call (616) 554-0737
(Leave voicemail after hours)
4. Mail it to: Storm Water Coordinator
City of Kentwood—Engineering
4900 Breton Ave SE
Kentwood, MI 49508

WHAT DID YOU OBSERVE?

Date(s) pollution was observed:

Location pollution was observed:

Name of person(s) or company involved (if known):

Please describe the pollution issue:

WHO ARE YOU?

Please remember that all reports are investigated. Inspectors, however, are limited. If a report is submitted anonymously inspectors cannot contact the submitter for more information. If you would like to remain anonymous, it is highly recommended that you include photographs of the problem with your anonymous report.

Date this report was submitted:

Name of person submitting this report:
